## II. Discussion

Applicant submits that these documents, whether taken alone or in combination, fail to show or suggest the claimed subject matter. The relevance, as it is presently understood by the undersigned, of each reference listed herein is that the references have been identified, in an International Search Report in a counterpart international application. A copy of the International Search Report is submitted herewith. Applicant requests that the Examiner consider the entirety of each document and make them of record in this application. Applicant's submission of these documents for consideration is not to be construed as an admission that the documents qualify as prior art to the claimed subject matter, a representation that a search has been made, nor as an admission that the information is considered to be material to patentability.

Respectfully Submitted,

Matthew J. Sampson  
Reg. No. 35,999

I hereby certify that each item of information contained in this Information Disclosure Statement was cited in a communication from the International Searching Authority in a counterpart international application not more than three months prior to the filing of this statement.
